MUSIC FESTIVAL

JUNE 14, 15, 16, 2024

KCBX FM
805-781-3030 • LIVEOAKFEST.ORG
4100 VACHELL LANE • SAN LUIS OBISPO • 93401

Admission

Ticket Gate opens at 3 pm Thursday for Early Entry ticket holders only. People who purchased Early Entry tickets may arrive any time after 12 pm Thursday to begin queuing at Cuesta College Lot 1A. For all others, Ticket Gate opens at 8 am on Friday, Saturday and Sunday. See below right for all Ticket Gate hours.

All attendees must route through Cuesta College at Education Drive to enter the festival. Tickets will only be processed during posted hours (below right). Only those with parking passes and wristbands may re-enter after hours. Children and teens under 18 must be accompanied by, and camp with, a parent or guardian. Please refer to the Arrival Map for the 1-2-3 entry sequence.

Please make sure to purchase all festival tickets and parking passes (camping and day) online in advance to avoid delays when entering the festival.

Vehicle Parking

Carpools of 3+ people get a FREE Day Parking pass, but there are no carpool refunds for previously purchased Day Parking passes. The Day and Long-Term Parking areas have free shuttle service to the main festival areas. The free shuttle circulates between the parking area and the main festival area until 12:45 am on Friday and Saturday, and until 10 pm on Sunday.

Camp Parking passes entitle the holder to a refund of 40 Live Oak Bucks* if the vehicle is moved to the Long-Term Parking area within two hours of arrival during posted refund hours. Refunds are only available during posted hours. Our goal is to reduce the number of vehicles in the camping area to make it as spacious as possible.

Please Note: After 3 pm on Friday, vehicles parked in Mandolin Meadow and Harmony Hollow must remain in these camps throughout the weekend. Please move your car to Long-Term Parking (and receive the refund of 40 Live Oak Bucks!) if you require in and out vehicle access throughout the weekend.

* Live Oak Bucks may be exchanged at the Mercantile for \$40 cash or applied to the purchase of \$40 worth of Live Oak merchandise, ice, or drink tickets throughout the 2024 festival.

Getting to Live Oak

Please refer to the Arrival Map below to ensure a safe and smooth festival arrival.

El Chorro Regional Park is on Hwy 1, nestled in between San Luis Obispo and Morro Bay, just six miles north of San Luis Obispo, across from Cuesta College. ALL festival traffic is routed through the Cuesta College campus at Education Drive, including drop-offs, rideshare vehicles, and bicycles.

Festival attendees are encouraged to use rideshare apps, public transportation, or to ride to El Chorro Regional Park on bicycles! RTA Route 12 will temporarily move its bus stop at Cuesta College to Lot 3 during the festival. Bikes are allowed in most areas of the festival, and bike racks will be available on site.

Check social media prior to the festival for those looking to car-pool, or offer to drive someone yourself! Use a rideshare app with friends for a convenient and safe ride home from the festival.

Saturday, 8 am–8 pm

Sunday, 8 am–7 pm

1 2 3 Thursday–Sunday Entry sequence for ALL camping and day passes.

RV/Trailer Parking

Camp parking fees for RVs and trailers vary according to size and parking location. If you purchased Reserved RV Camping, you are entitled to one reserved space for your RV/trailer/camper, regardless of day of entry. Camp parking for vehicles (cars, trailers, RVs) without reserved space may only park in camping areas marked as “mixed use” on the Festival Map. Electrical hookups and sewage disposal are only available at reserved RV sites with hookups. No generators or pets are allowed. Please purchase Camp Parking passes online in advance.

Please share all available space, including surrounding camping areas and picnic tables, with your Oakie friends and neighbors. **You are encouraged to move your tow vehicle out of camp to Long-Term Parking and receive a refund of 40 Live Oak Bucks.**

Campsites

Festival camping accommodations include hot showers and potable water. Space for friends may be reserved only with a tent. Camping areas may not be roped off or saved using cones or tarps.

Please do not park your car in areas that could be utilized for tents. Cars must remain on designated roads when entering and exiting camping areas of the festival.

Campfires are NOT allowed, including in permanent park fire rings. Propane camping grills and stoves with a shutoff valve are permitted. Should matters change, an announcement will be made from the KCBX Stage.

All campsites must be completely cleaned and campers must depart by **10 am Monday**.

Tent-Only Camping

There is walk-in, tent-only camping available at the Guitar Glade campground, complete with facilities and a designated loading zone for convenient arrival and departure.

There is tent-only camping available in the grassy areas among the reserved RV sites of Banjo Basin, Fiddle Forest, and Dobro Diggins.

Tents are also allowed in all mixed-use camping areas. Check out the festival map and Live Oak website for all the details.

Accessibility

Please call the Live Oak Hotline at (805) 781-3030 by May 31 to request designated accessible camping or seating. There are camping and day parking areas specifically for vehicles displaying the DMV's DP placard. Camping and parking in these ADA areas requires a special reservation and vehicle parking pass.

Day parking in the accessible area is as simple as informing the ticket gate. They will direct you to the appropriate parking area.

Shuttle Service

The Live Oak Music Festival provides a free shuttle throughout the major festival areas. The Camp Shuttles circulate between camping areas and the KCBX Stage and Stage Too entrances. The Parking Shuttle circulates from Long-Term/Day Parking to the KCBX Stage entrance.

Live Oak Goes Green

Live Oak is striving to become a zero waste event. That means consciously thinking that what we pack in, we must pack out, including clothes, chairs, camp decorations, and even broken water balloons. Please designate a waste/recycle/compost spot in your camp, and frequently dispose of trash, recyclables, and compostables at our conveniently placed Stop & Drop stations.

Think PRE-Cycle: reduce waste before you get to Live Oak. Store all food and liquids in reusable containers and ditch the disposables! BYO reusable coffee cups, plates, utensils, and napkins, and don't forget to bring your favorite reusable water bottle to fill at the refilling stations. If you forget, you can purchase a festive Live Oak-themed reusable water bottle or commemorative cup in the Mercantile.
